Press Note

Two new buildings for Humain Nagar PS and Kulsumpura police stations of South West Zone were inaugurated by Hon'ble Home Minister Shri Mohammed Mahmood Ali here on Monday.

The Humainnagar PS came up as a G+4 structure and Kuslumpura PS has 3 floors. Both the stations are designed with a visitors lounge, reception desk, multiple cabins for officers, CCTV viewing centers, meeting rooms and ample parking facility. The dignitaries inspected the facilities and interacted with the staff.

Speaking at the inauguration the Hon'ble HM said that the state government had launched pioneering initiatives in the police department. Monthly maintenance budgets for police stations, huge video wall in TSPICCC to monitor 10 lakh CCTV feeds, state of the art technology, huge patrol fleet were some of the key changes in police department, he said. He appreciated the city police officers and CP Anand for exerting strict discipline in maintaining L&O.

DGP Mr.Anjani kumar said that alongside the economic development, the L&O, peace, women safety and crime control measures in Telangana caught the attention of the nation. He said that the public has equal role in nurturing a good society. "Our intervention begins when someone violates Law. But parents should counsel the youngsters if they notice that they are going off the track." He added.

City Police Commissioner Mr.CV Anand retraced the infrastructure changes in police department since the formation of Telangana and exhorted the staff officers to render police services effectively to ensure the safe city tag remains intact. "Exercise your duties in such a way that the criminals must be feared of the police and majority of the general public should approach and trust us." he emphasized.

Considering the recent upsurge in population & to address the future policing needs, the state Government has reorganised the City Police Commissionerate., he said. He thanked the donors, officials of police housing corporation and other public representatives for extending their support in improving the infra, facilities in the PSs.
